CHAPTER _____

An act to amend, repeal, and add Section 5300 of the Civil Code, relating to common interest developments.

LEGISLATIVE COUNSEL'S DIGEST

AB 596, Daly. Common interest developments: annual budget report.

Existing law governing common interest developments, the Davis-Stirling Common Interest Development Act, requires the association of a common interest development, which includes a condominium project, to prepare and distribute to all of its members certain documents, including an annual budget report that includes, among other items of information, a pro forma operating budget. The act requires a notice to be provided if an insurance policy described in the annual budget report lapses, is canceled, or is not immediately renewed, restored, or replaced, or if there is a significant change as to the policy.

This bill would, beginning July 1, 2016, require the annual budget report of a condominium project to also include a separate statement describing the status of the common interest development as a Federal Housing Administration (FHA)-approved condominium project and as a federal Department of Veterans Affairs (VA)-approved condominium project.

The people of the State of California do enact as follows:

SECTION 1. Section 5300 of the Civil Code is amended to read:

5300. (a) Notwithstanding a contrary provision in the governing documents, an association shall distribute an annual budget report 30 to 90 days before the end of its fiscal year.

(b) Unless the governing documents impose more stringent standards, the annual budget report shall include all of the following information:

(1) A pro forma operating budget, showing the estimated revenue and expenses on an accrual basis.

(2) A summary of the association's reserves, prepared pursuant to Section 5565.

(3) A summary of the reserve funding plan adopted by the board, as specified in paragraph (5) of subdivision (b) of Section 5550. The summary shall include notice to members that the full reserve study plan is available upon request, and the association shall provide the full reserve plan to any member upon request.

(4) A statement as to whether the board has determined to defer or not undertake repairs or replacement of any major component with a remaining life of 30 years or less, including a justification for the deferral or decision not to undertake the repairs or replacement.

(5) A statement as to whether the board, consistent with the reserve funding plan adopted pursuant to Section 5560, has determined or anticipates that the levy of one or more special assessments will be required to repair, replace, or restore any major component or to provide adequate reserves therefor. If so, the statement shall also set out the estimated amount, commencement date, and duration of the assessment.

(6) A statement as to the mechanism or mechanisms by which the board will fund reserves to repair or replace major components, including assessments, borrowing, use of other assets, deferral of selected replacements or repairs, or alternative mechanisms.

(7) A general statement addressing the procedures used for the calculation and establishment of those reserves to defray the future repair, replacement, or additions to those major components that the association is obligated to maintain. The statement shall include, but need not be limited to, reserve calculations made using the formula described in paragraph (4) of subdivision (b) of Section 5570, and may not assume a rate of return on cash reserves in excess of 2 percent above the discount rate published by the Federal Reserve Bank of San Francisco at the time the calculation was made.

(8) A statement as to whether the association has any outstanding loans with an original term of more than one year, including the payee, interest rate, amount outstanding, annual payment, and when the loan is scheduled to be retired.

(9) A summary of the association's property, general liability, earthquake, flood, and fidelity insurance policies. For each policy, the summary shall include the name of the insurer, the type of

insurance, the policy limit, and the amount of the deductible, if any. To the extent that any of the required information is specified in the insurance policy declaration page, the association may meet its obligation to disclose that information by making copies of that page and distributing it with the annual budget report. The summary distributed pursuant to this paragraph shall contain, in at least 10-point boldface type, the following statement:

“This summary of the association’s policies of insurance provides only certain information, as required by Section 5300 of the Civil Code, and should not be considered a substitute for the complete policy terms and conditions contained in the actual policies of insurance. Any association member may, upon request and provision of reasonable notice, review the association’s insurance policies and, upon request and payment of reasonable duplication charges, obtain copies of those policies. Although the association maintains the policies of insurance specified in this summary, the association’s policies of insurance may not cover your property, including personal property or real property improvements to or around your dwelling, or personal injuries or other losses that occur within or around your dwelling. Even if a loss is covered, you may nevertheless be responsible for paying all or a portion of any deductible that applies. Association members should consult with their individual insurance broker or agent for appropriate additional coverage.”

(c) The annual budget report shall be made available to the members pursuant to Section 5320.

(d) The summary of the association’s reserves disclosed pursuant to paragraph (2) of subdivision (b) shall not be admissible in evidence to show improper financial management of an association, provided that other relevant and competent evidence of the financial condition of the association is not made inadmissible by this provision.

(e) The Assessment and Reserve Funding Disclosure Summary form, prepared pursuant to Section 5570, shall accompany each annual budget report or summary of the annual budget report that is delivered pursuant to this article.

(f) This section shall become inoperative on July 1, 2016, and, as of January 1, 2017, is repealed, unless a later enacted statute,

that becomes operative on or before January 1, 2017, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 2. Section 5300 is added to the Civil Code, to read:

5300. (a) Notwithstanding a contrary provision in the governing documents, an association shall distribute an annual budget report 30 to 90 days before the end of its fiscal year.

(b) Unless the governing documents impose more stringent standards, the annual budget report shall include all of the following information:

(1) A pro forma operating budget, showing the estimated revenue and expenses on an accrual basis.

(2) A summary of the association's reserves, prepared pursuant to Section 5565.

(3) A summary of the reserve funding plan adopted by the board, as specified in paragraph (5) of subdivision (b) of Section 5550. The summary shall include notice to members that the full reserve study plan is available upon request, and the association shall provide the full reserve plan to any member upon request.

(4) A statement as to whether the board has determined to defer or not undertake repairs or replacement of any major component with a remaining life of 30 years or less, including a justification for the deferral or decision not to undertake the repairs or replacement.

(5) A statement as to whether the board, consistent with the reserve funding plan adopted pursuant to Section 5560, has determined or anticipates that the levy of one or more special assessments will be required to repair, replace, or restore any major component or to provide adequate reserves therefor. If so, the statement shall also set out the estimated amount, commencement date, and duration of the assessment.

(6) A statement as to the mechanism or mechanisms by which the board will fund reserves to repair or replace major components, including assessments, borrowing, use of other assets, deferral of selected replacements or repairs, or alternative mechanisms.

(7) A general statement addressing the procedures used for the calculation and establishment of those reserves to defray the future repair, replacement, or additions to those major components that the association is obligated to maintain. The statement shall include, but need not be limited to, reserve calculations made using the formula described in paragraph (4) of subdivision (b) of Section

5570, and may not assume a rate of return on cash reserves in excess of 2 percent above the discount rate published by the Federal Reserve Bank of San Francisco at the time the calculation was made.

(8) A statement as to whether the association has any outstanding loans with an original term of more than one year, including the payee, interest rate, amount outstanding, annual payment, and when the loan is scheduled to be retired.

(9) A summary of the association's property, general liability, earthquake, flood, and fidelity insurance policies. For each policy, the summary shall include the name of the insurer, the type of insurance, the policy limit, and the amount of the deductible, if any. To the extent that any of the required information is specified in the insurance policy declaration page, the association may meet its obligation to disclose that information by making copies of that page and distributing it with the annual budget report. The summary distributed pursuant to this paragraph shall contain, in at least 10-point boldface type, the following statement:

“This summary of the association's policies of insurance provides only certain information, as required by Section 5300 of the Civil Code, and should not be considered a substitute for the complete policy terms and conditions contained in the actual policies of insurance. Any association member may, upon request and provision of reasonable notice, review the association's insurance policies and, upon request and payment of reasonable duplication charges, obtain copies of those policies. Although the association maintains the policies of insurance specified in this summary, the association's policies of insurance may not cover your property, including personal property or real property improvements to or around your dwelling, or personal injuries or other losses that occur within or around your dwelling. Even if a loss is covered, you may nevertheless be responsible for paying all or a portion of any deductible that applies. Association members should consult with their individual insurance broker or agent for appropriate additional coverage.”

(10) When the common interest development is a condominium project, a statement describing the status of the common interest development as a Federal Housing Administration (FHA)-approved

condominium project pursuant to FHA guidelines, including whether the common interest development is an FHA-approved condominium project. The statement shall be in at least 10-point font on a separate piece of paper and in the following form:

“Certification by the Federal Housing Administration may provide benefits to members of an association, including an improvement in an owner’s ability to refinance a mortgage or obtain secondary financing and an increase in the pool of potential buyers of the separate interest.

This common interest development [is/is not (circle one)] a condominium project. The association of this common interest development [is/is not (circle one)] certified by the Federal Housing Administration.”

(11) When the common interest development is a condominium project, a statement describing the status of the common interest development as a federal Department of Veterans Affairs (VA)-approved condominium project pursuant to VA guidelines, including whether the common interest development is a VA-approved condominium project. The statement shall be in at least 10-point font on a separate piece of paper and in the following form:
